Complete Communities Assessment Survey

This survey will take approximately 5-7 minutes to complete and will ask you about your experiences, priorities, and preferences when it comes to your neighbourhood. Your input is critical and will help shape planning decisions in the future. The survey will be open until midnight on **February 17, 2025**.

Need translation assistance? Click the "Select Language" button in the top right corner and choose the language you require.

You can fill out a paper version available at City Hall, City of North Vancouver Library, and North Shore Neighbourhood House. You can also send general comments to planning@cnv.org

About You

It is important that we hear various perspectives to inform our decision-making on projects that impact the community. These questions will help us understand who we are hearing from and the priorities of different demographic groups.

We do require an answer for each question, but if there is information you prefer not to share, choose the “prefer not to say” option.

The City is collecting your personal information in accordance with section 26(e) of the Freedom of Information and Protection of Privacy Act. Any demographic information you choose to share is confidential and not linked to your name or identity. Questions about the collection of this information may be directed to planning@cnv.org.
