

MAHON SKATE PARK

WHAT WE HEARD: MAY 2022

The City engaged with skateboard community members and residents to get feedback on a preliminary concept for the Mahon Skate Park.

WHAT WE HEARD FROM SKATEBOARDERS

MOST RESPONDENTS SAID:

- ✓ A street-style skate park for all ages and abilities is needed in our community
- ✓ The design should be simple with a variety of well-spaced obstacles
- ✓ Skate parks are important for physical and mental health
- ✓ Skate parks provide a safe place to practice skills, meet new people, socialize with friends and have fun

**"HAVING A SAFE,
DEDICATED PLACE TO
SKATE IS IMPORTANT."**

40%

of respondents currently
skate at Mahon Park

74%

spend between 2-3 hours
when they visit a skate park

WHAT WE HEARD FROM CURRENT MAHON PARK USERS

77%

of respondents visit the park daily or weekly during spring and summer

74%

spend between 1-2 hours at Mahon Park per visit

TOP PARK AMENITIES

Both skateboarders and park users agreed on the **top 3 amenities** to include in the construction of a new Skate Park:

DRINKING
FOUNTAIN

GARBAGE AND
RECYCLING
CONTAINERS

SEATING

48% OF PARK USERS

also requested fencing to separate the skate area from other activities

SKATEBOARDERS also requested tools to maintain the skate area
